VOLUNTEERS

If you would like to volunteer in our classroom, please indicate on the volunteer flyer). I will contact you to schedule your volunteer time. All volunteers have to be cleared through a background check done by the district. The school office can help you with this process.

HALL PASSES & DRINKS

There is a drinking fountain in our classroom, but your student can bring a water bottle. A flip-top or pop-top is strongly recommended! I let the students use the restroom as needed. If your student has health concerns please let me know.

BIRTHDAYS

I will mark on the calendar at the front of the room when there is a birthday. Students like to sing Happy Birthday to one another and I give the student time to share out if they like to about their birthday plans. (if you want to bring treats you are welcome to but they need to be store-bought and peanut free).

PG MOVIES

This year we may have several opportunities to do fun activities with the fifth grade students that may involve watching movies as a grade level, with our first grade buddies, or even for indoor recess. However, State Law mandates that all movies that can be shown in elementary school must be rated G unless permission is given by a parent otherwise. At this time, we are asking for permission to also show your student PG-rated movies for this school year. Please mark on the signature sheet whether or not your child has permission.

RECOMMENDED STUDENT SUPPLIES

Students are not required to bring their own supplies. However, if you would like to bring your own, here is the recommended list:

- Colored pencils and/ or crayons
- Mechanical pencils and extra lead
- Pencil Pouch
- Expo markers
- Glue Sticks
- highlighters
- scissors
- Headphones
- 2 pocket folders
