Revising to Elaborate Details

Student: _____ Date: _____

Elaborate details.

Use the following activity to come up with new details for your essay.

1. Write down a step that is not as clear as it could be.
2. Write a new detail that could help explain this step.
3. Write another new detail that could help explain this step.
4. Write a third new detail that could help explain this step.
5. Review these details. Add some to your essay if they help you explain.
