

**THE MASTER'S ACADEMY**

# Used Uniform Sale and Bake Sale

*Saturday, May 21, 2016*

*Open Buying 9:00am-11:00am*

*Everything you need to know about selling and buying used uniforms*

## Selling Tips

**You get the opportunity to sell your own uniforms!** Set-up and pre-sale for sellers: 8-9am, Saturday morning. You will have time to set up and do your own buying prior to the doors opening for buyers only. Each individual will be allotted a 4x4 foot area to display clothes. Groups may have additional space, but need to identify all sellers from the group to receive additional space. You will need:

- Tables will be provided and set up for sales in the gym lobby. Please register by May 13, to secure a spot.
- All sale items clearly marked girl/boy, size and pricing using dollar increments-no change, i.e. \$5.00 not \$5.50. Items less than one year old, half price of the original cost or less. Items two years old or older should be less than 50% of the original cost.
- Remember that BETTER pricing is more likely to sell. Of course, you may price your items however you wish. You can alter/bargain the prices on sale day.
- Price tags should be safety-pinned to the upper right front for each garment. As items are sold, tags should be removed and kept by the seller.
- You will need \$1s, \$5s and \$10s to make change for your sales.
- An adult must be present at your table at all times.
- Only TMA uniform items, fine arts uniforms, and sports uniforms (including cleats) can be sold (no theme or fun day t-shirts). All should be clean and in good condition. Heavy faded, torn, etc. will not sell. Items that do not sell, please take with you as you clean up your area.

## Buying Tips

- Cash only - \$1, \$5, and \$10 denomination.
- Keep your children with you. As in the past, they will **not** be allowed on the playground or roaming the building or grounds.
- Girls and boys restrooms in the lobby will be available to try on clothes.
- Most items can be purchased at approximately one-half to one-fourth less of the original price depending on the age and condition of the garments. No refunds.
- If your children try on uniforms, please be sure to return items to the table for purchase or return if the fit is not correct.
- Bring a bag to carry all the items you were able to purchase.
- Enjoy, be blessed, and thank you TMA families for participating! Have fun with each other at this last opportunity before separating for the summer!
