

EADMS Push to Gradebook Directions

Here are directions so you can push to Gradebook after your test has been taken. You have to have a Gradebook set-up and the assignment created in Gradebook for this to work.

1. Log on to EADMS
2. Select "Push to Gradebook" from your dashboard or from the TESTING tab "push to Gradebook"
3. A new window opens with your tests, look to far right and click icon under Push to Gradebook for test you want to push.
