

## Activity Commitment Memo

**To:** All Jr. Beta Members  
**From:** Jr. Beta Sponsor  
**Date:** 2023  
**Re:** Activity Commitment

Dear Members,

The Jr. Beta Organization is a service organization. Not only are you required to do a specified amount of service activities, but you are morally responsible for doing other activities, as well. This is your club and you must take responsibility for it. As club members, you must be responsible. Because some members sign up for activities and then decide not to do them, I have decided to institute this new rule:

**If you commit by signing up for an activity and:**

- You fail to do an activity due to a reason that is not an emergency
- You do not notify anyone (sponsor)
- You do not get someone to take your place

**A SERVICE POINT THAT YOU HAVE ALREADY ACQUIRED WILL BE DEDUCTED.**
