

Friends of Watertown Music invites you to attend our **11th Annual MusicFest, on Friday, March 15, 2024, from 5:30 to 9:00 pm**, at the Watertown Middle School.

MusicFest is a fun community event, offering something for everyone with over 40 performances, across 3 stages. The variety of performers often includes student musicians, Watertown Public School teachers, local rock bands, established musicians, a vignette of musical theater, and more. Performances run from 5 to 20 minutes, so attendees have the chance to go around and see as many acts as they wish.

Calling all musicians: registration is open through March 5th!

MusicFest will also feature an 'instrument petting zoo' to inspire budding musicians, and for anyone wanting a snack, pizza and refreshments will be sold throughout the evening.

The community is invited to attend all or part of the evening.

All proceeds from this *MusicFest* fundraiser help the *Friends of Watertown Music* support the music programs in the Watertown Public Schools. Suggested donations of \$8/person or \$25/family will be accepted at the door.
