The area talent winner will need to register for the state talent contest per instructions from Texas FFA by the deadline.

The Area I FFA Association would like to invite your talent team to provide entertainment during our Hamburger Feed at the Area Leadership Conference this summer at Clarendon Junior College. This event would be on Tuesday, June 16, in the Bairfield Activity Center on campus. We invite those teams that would like to come as part of our program that evening. The event begins around 6:30 pm, so setup should begin about 5. Please let us know if you would like to be there no later than June 1st. There is no cost to you for this and supper would be provided for you.

Thanks for considering it,
