RE: **REQUEST FOR BALLOT IMAGES**

Dear Joseph Kirk, Bartow County Election Supervisor:

Please provide the ballot images of all ballots in Bartow County, GA, for the November 3, 2020 General Election, and in the January 5, 2021 runoff election. We also request the Cast-Vote Record files which can be produced by the Dominion Voting System, with ballot-level resolution.

These are public records subject to disclosure per GA Code Section Code Section 50-18-71 (k), as amended on March 25 2021

> Scanned ballot images created by a voting system authorized by Chapter 2 of Title 21 shall be public records subject to disclosure under this article.

We intend to retabulate those ballots with our AuditEngine[1] platform, which provides a full recount of all contests and can provide a useful quality check.

The ballot images for these elections probably will be less than 10 GB of data and can be easily uploaded to our public sharefile account. Please email me and we will send you a request link. Alternatively, we can ship a new USB thumb drive for your use. Please have your office contact us to handle the logistics.

Thank you in advance for your kind cooperation to support election transparency.

Sincerely,

Raymond Lutz
Executive Director
Citizens' Oversight Projects
