☐ Black practice shorts

☐ Water bottle

☐ Notebook and pen

☐ Cleats and athletic shoes

☐ Any personal medications

📎Important Reminders

- Monday meetings include Magic Number review, uniform pickup, and outstanding dues.
- If your account is not paid, contact Coach Mac immediately to arrange a payment plan.
- Gatorade will be provided. Every player must bring their own water bottle each day to help reduce the spread of illness.
- If your player has any food allergies, notify Randi Hart as soon as possible so meals can be accommodated.
- Last opportunity to purchase Story of the Season ads.

📝Parent Notes

We do ask each year that each family donate one case of Gatorade to camp. This usually gets us through camp and our next scrimmage. It's great if we as a community can cover this before we start dipping into all the funds for the season. Gatorade cases can be dropped off at Mt. Hope church (where we will be holding all our indoor activities and feeding the boys) anytime Monday after 3:00. Mt Hope church is directly across from the soccer fields that the boys have been practicing on. But we will back on our brand-new turf for camp!

Please have your player arrive on time each day with all required equipment. Parents are invited to attend Tuesday night's practice under the lights. Thank you to the volunteers prep

Quick follow up when it comes to equipment checkout. We will have ZERO access to parts of Fairview post May 21, so your player HAS to have equipment checked out during this week in May, so we have made a few adjustments.

BVSD Waiver

The BVSD waiver must be completed and signed before your player can participate in Spring Ball.

You may either scan and email the completed form or have your player drop it off with a coach if they are currently at Fairview.

For incoming freshmen, if the waiver has not been emailed, it must be brought to Equipment Checkout in May.

The official Equipment Checkout date will be shared soon. It will take place after school during the last week of May.
