Call to Worship

Who among you is seeking the wisdom of God?

We long to hear God's Word spoken to our hearts.

Who among you is seeking God's bright and holy truth?

We long to learn the ways of wisdom and righteousness.

Who among you is seeking a Spirit-filled life?

We long to live lives of holiness and light.

God grants God's wisdom generously to all who ask.

Come near, people of God!

Let us worship in wisdom and truth.

THOSE WHO HAVE WALKED BEFORE US

SERMON OUTLINE:

Blessed to be a Blessing – Genesis 11:27-12:4

Why give time to these 2 people who lived so long ago in a very different culture than ours? 4 Reasons:

What do we know about Abram and Sarai and their context?

What is the biblical context of God's call on Abram and Sarai?

What is the cycle of the stories found in Genesis 3-11?

What happens between Genesis 11 and 12?

What are all the 'I will's' God will do?

What is significant of God making a name great in contrast to the tower of Babel?

What are ways our culture still does this today?

Why is the verse in 11:30 so important?

How does God plan to bring about His plan?

How does all this help us to understand 12:3?

What does God expect Abram and Sarai to do? Why?

In what ways must we also leave?

How is this call upon our lives shaped by the Sermon on the Mount?

For our Life Together this fall we are going through a series on building and growing healthy and Godly relationships. We will be using the RAM series by therapist and author Dr. John Van Epp. RAM stands for Relationship Attachment Model, an interactive tool that identifies the five key bonds that make up relationships. We will learn about how to keep our relationships honoring to God and mutually fulfilling. Here is a quick bullet point list of some of the key skills we will learn and practice:

- Respectful and open communication
- Positive attitudes of trust and respect
- Apologizing and forgiving
- Creating a top ten list of what you want and need from each other
- Strengthen your commitment so that you can move past life challenges
- Grow to be more mutually fulfilling in your affection and sexual intimacy

Couples will also learn this interactive RAM tool that will help them talk about all these areas in clear and understandable ways. It will become your “relationship GPS” helping you to identify any areas that life has just weakened, and then agree upon some small goals to rebuild that area. The major takeaway will be a simple plan to intentionally run your relationship TOGETHER...and not let those small leaks in your closeness continue and flatten your relationship. It is not too late to join us on Wednesday nights!
