Interact Club meets on the second Friday of each month at 7:15am in Ms. Sanders room, 123. We hope you'll join us this Friday! Interact Club seeks to create opportunities for students to participate in a variety of outreach and service projects within the Smithville and Kansas City Metro Area. Through building relationships with our peers, our community, and those in our sphere of influence we strive to live out a "Service Before Self" attitude as we continually move towards being light in an often complicated and troubled world.

The Fall Play, *Our Town* runs this Thursday-Saturday at 7:00pm. Tickets can be purchased at the door or in advance for \$5, but we will be moving to digital ticketing just like for athletics, so we won't be able to accept cash at the door. Come out to the PAC to see the story of the fictional American small town of Grover's Corners between 1901 and 1913 through the everyday lives of its citizens.

The school coffee shop, The Grind, will be opening soon! Follow us on Instagram at warrior [dot] grind to get the latest information, menu options, and promotions.

If you did not play a fall sport but are planning to tryout or participate in any winter sports you must update your Privit by Wednesday October 19th. This includes having a current physical on file.

If you are new to the district or sports/activities please stop by the athletic trainers office at the high school immediately following the dismissal bell and she can provide all the information you need to participate.

Trading Card students will have their 1st meeting on Monday, October 17th at 7pm in the cafeteria.

Art Club has started! Anyone who wants to produce art, share creative ideas and have fun is welcome to join. Meet in Ms. Courtoise's room (214) after school on Wednesdays.
