

We're excited you're interviewing with Lab Alley! To help you prepare, please review the following:

### **Before Your Interview:**

- **Bring your resume.**
- **Research Lab Alley:** We are an e-commerce chemical distribution company that serves all industries. Understanding our business will help you articulate your fit.
- **Prepare to demonstrate your interest in the role.**
- **Be ready to discuss your ability to work at a steady pace.**
- **Thoughtfully prepare responses regarding your job change history.**

**What to Wear:** Business casual attire is appropriate: Jeans or casual pants paired with a nice shirt.

**Finding Lab Alley: Our Address:** 12501 Pauls Valley Rd, Bldg A, Austin

- **Important Navigation Note:** Please **DO NOT** put "Lab Alley" into your GPS. Maps have not yet updated our precise location. **Use the full street address above** for accurate directions.

**Upon Arrival:** Proceed to **Building A**, located at the front of the property. Ring the bell to the left of the door, located directly under the "A" sign. Kindly inform our team which position you are here to interview for.
