Get Zippy With It - Quiltcon 2024

Required Materials & Workshop Prep

September 1, 2023

Hello! Welcome to Get Zippy where we will be making cute and precise zippered pouches! Below you'll find the materials required for class, and instructions for prepping those materials. Doing the prep work will help us cruise through this pattern so everyone can finish!

Required materials:

- $10 materials fee for workshop materials kit (cash preferred, extra kits will be available).
- Printed copy of Improv Pouch pattern (PDF provided)
- Printed copy of Zip Tips Zine (PDF provided) - you"ll learn how to fold this in class!
- 2 coordinating FQ's
- Scissors
- Stiletto or Purple Thang
- Seam ripper
- Clover clips
- Pins
- Pen
- Optional: rotary mat/cutter/ruler (these are provided in the classroom, but having some extras will allow all students to move along through each step quickly).

You do not need to bring zippers or interfacing, these will be provided in your materials kit.

Prep work (please complete this before the workshop begins).
Cut fabric:

- (1) pouch front 8" x 11" - this can be one fabric, or patchwork.
- (1) pouch back 8" x 11"
- (2) pouch lining 8" x 11"
- (1) wrist loop 2 1/2" x 12"
- (1) zipper end 1 1/2" x 5"

If you wish to use patchwork for the pouch front, please do this before class starts, and trim it to 8" x 11".

If you wish to have a wrist loop - prepare the wrist loop before class: fold/press and stitch the wrist loop (pattern step 3). Note that the wrist loop is optional and you may choose to not add a loop to your pouch.

Please also fold and press the zipper end fabric (pattern step 4).

If you are looking at the pattern, you may do step 1, 3, and 4 before class.. Do not progress past step four.
