

The Sunshine Book

The Club has recently revived “The Sunshine Book” for use by all Laguna Woods Duplicate Bridge Club Members. This notebook is located in the front of the bridge room opposite the Limited Section. Please use this book to commemorate, congratulate and remember fellow bridge players at the Club. In addition, notices about sickness/hospitalizations as well as notices of recent deaths may be entered.

You may write as much or as little as you please. Feel free to put more than one entry per page but do date and sign your name.

But please do not remove the book from the bridge room.
