

ALife 2025

Ciphers of Life

Industry Expo Ticket

Instructions & Information

The [ALIFE 2025 Conference](#) invites companies and organizations to join us in showcasing their cutting-edge technology, innovative products, and career opportunities to more than 400 international researchers, scientists, and engineers.

Exhibitors will have dedicated booth space in the main conference hall, alongside community art and interactive demos, providing a lively setting for engagement with researchers and public attendees. We especially welcome startups from all over Japan, particularly the Kansai region.

The Expo Hall will be located in the South Area in the Kyoto [Sangyo-Kaikan Hall](#) at the [Kyoto Keizai Center](#) building.

A full setup day is available on Monday, October 6th (9:00 am - 5:30 pm), giving you time to prepare and customize your space before attendees arrive.

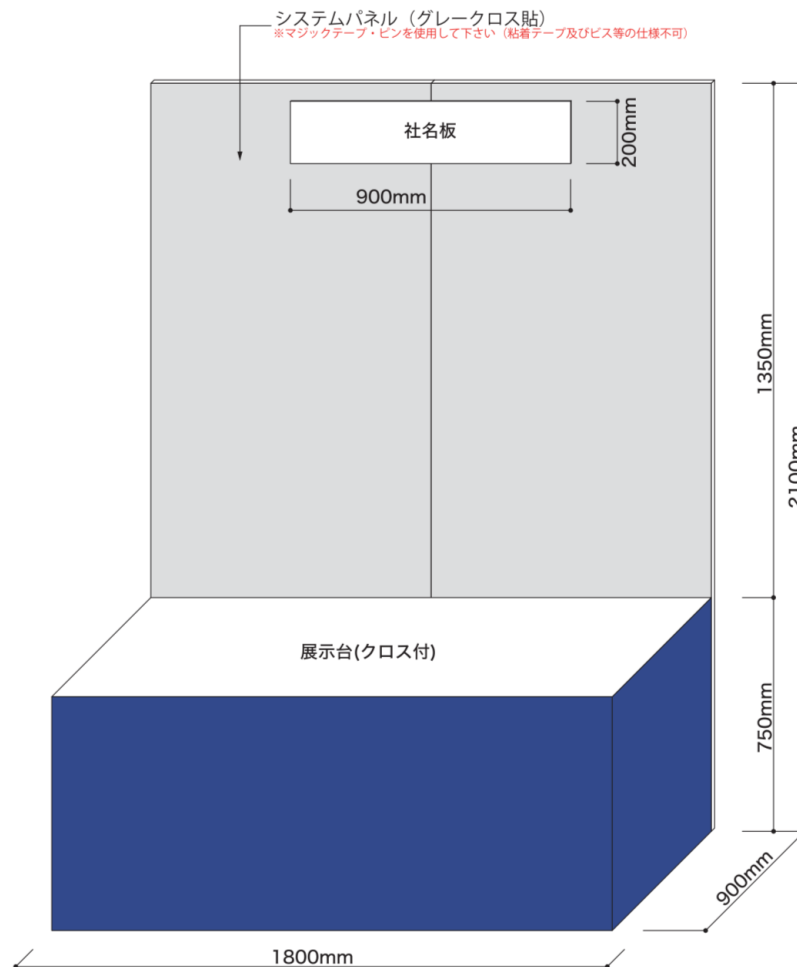

Information about previous ALIFE conferences can be found here:
<https://alife.org/conferences/conferences-other-past/>
