

## College & Graduate Credit Opportunity Through Pittsburg State University

TASN-ATBS, in partnership with **Pitt State University**, offers college credit for completing a Pathway.

### Credit Hours

- Each completed Pathway earns **3 credit hours**.
- Credits may be used as:
  - Non-master's credit hours
  - Master's credit hours
  - 3 credit hours\* may be used toward the Autism Certification Program

### Cost

- \$119 per credit hour
- Total: \$357 for 3 credit hours

### How to Obtain Credits After Completing a Pathway

- Complete a Pathway and receive your **completion certificate**.
- Submit your certificate to **Pitt State** and pay the credit fee to receive your official credit hours.

### Autism Certification Program (Pitt State)

- One Pathway may count for **3 credit hours** of instruction toward the certificate.
- **Any Pathway** may be used.
- The Pathway replaces one summer class requirement.

### Can I Take More Than One Pathway for Additional Credits?

- **Yes** — as long as you **do not repeat any training** already completed in another Pathway.
- Only **one Pathway** can be used toward Autism Certification Program credit hours.

*\*3 credit hours = minimum 45 hours of training, which would equal 3 trainings.  
Classroom implementation and coaching time are additional.*
