

Statement issued by Dattatreya Hosabale Ji, Sarkaryavah, Rashtriya Swayamsevak Sangh

“Atrocities against Hindus in Bangladesh must stop immediately. Free ISKCON Sanyasi Puja Shri Chinamay Krishna Das from unjust Imprisonment”

Date: November 30, 2024

The atrocities being committed against Hindus and other religious minorities in Bangladesh by Islamic extremists, including attacks, killings, looting, arson, and inhumane persecution of women, are alarming. Rashtriya Swayamsevak Sangh (RSS) strongly condemns these acts. Instead of taking appropriate steps to stop these incidents, the current Government of Bangladesh and other concerned agencies have remained a mute spectator. Out of helplessness, when Bangladeshi Hindus resorted to raising their voice democratically for self-protection, to suppress their voice, a new phase of injustice and oppression is visibly emerged.

Bangladesh Government arresting the ISKCON Sanyasi Puja Shri Chinmoy Krishna Das ji, who was leading one of such peaceful protests of Hindus is unfair.

RSS calls upon the Government of Bangladesh to immediately stop the atrocities being committed against Hindus and release Puja Shri Chinamay Krishna Das ji from the prison.

RSS also urges the Government of Bharat to continue with every possible effort to prevent the ongoing atrocities against Hindus and other religious minorities in Bangladesh and take necessary steps to garner international support in this regard.

At this critical juncture, Bharat, the global community, and international institutions must stand with the victims of Bangladesh and express their solidarity . It is necessary to demand respective Governments to take possible efforts in this regard is necessary for global peace and fraternity.
