Fruit and Nuts

In the spring of 2023, we planted several thousand fruit and nut trees. We expect some to produce by 2025, while some, like walnuts, probably won't produce for a decade or more. We're adding them here more to let you know that we will have them available and gauge interest on the different kinds of fruit. Please indicate below how many pounds you think you'd like per year.

- ____ Apples
- ____ Apricots
- ____ Buffaloberries
- ____ Butternuts
- ____ Cherries
- ____ Goji berries
- ____ Haskaps
- ____ Hazelnuts
- ____ Honey locust pods
- ____ Pears
- ____ Plums
- ____ Pine nuts
- ____ Raspberries
- ____ Saskatoons
- ____ Seaberry

____ Strawberries

____ Walnuts

Other Interests

We are always wondering what else our customers might be interested in, so that we might add more offerings in the future. Specifically, we've thought about pasture raised lamb, rabbit, turkey and Guinea fowl, fruits and vegetables.

Please indicate below if you would be interested in any of these, and how much you think you might like per year. We can't promise that we'll offer all of these, or any of them, or when, but we'd very much like to gauge the interest of our farm family members.

____ Rabbit

____ Turkey

____ Guinea fowl

____ Fruit (please specify below)

____ Vegetables (please specify below)

____ Other (please specify below)
