**Principal's Bulletin
October 5, 2021**

Greetings Thunderbirds!

I hope that this message finds all of our students, staff, and families doing very well! I wanted to take a few moments to share some timely updates for your review:

The Village Voice - "The Thunderbird Experience" Survey! How are we doing?

In prior years, a Satisfaction and Engagement Survey has been sent out each March/April, attempting to elicit input from students, parents, and staff, always aimed at improving "The Thunderbird Experience" for all. Last year, only 13 parents and 17 teachers completed the survey, thus the need to try a new approach! In going forward, each time that I share a Principal's bulletin, I will include a link to a Google Form that will allow all recipients to let us know how we are doing. In recognizing that our mission statement begins with the desire to empower ALL Thunderbirds, comes this attempt to afford the opportunity for ALL voices to be heard (more frequently)!

Here is the link to "The Village Voice" - A survey designed to enhance "The Thunderbird Experience" for all in our NEST!

Iceland Anyone?

IMS Teacher, Ms. Dawnelle Bartges, will be hosting an informational meeting, regarding an upcoming trip to Iceland! In addition to serving as an employee here at IMS, Ms. Bartges also works with EF Tours, the organization that is sponsoring this trip. Please note that this trip is only being offered to our current 8th Grade students. To learn more about this opportunity, students and their families can attend a meeting on October 13th, at 6:30 pm, via Zoom. At least one parent must be in attendance at the meeting (along with their student/child). So that she can alert you of any changes to this meeting, you must register using this link:
