

How to access Ancestry trees with a free account

1. Go to ancestry.com and click Sign In in the top right corner. This will redirect you to a log-in page. Click Sign up for free at the bottom of the log-in box.

The image shows the Ancestry sign-in page. At the top is the Ancestry logo, which consists of a green leaf-like icon followed by the word "ancestry" in a dark grey, lowercase, sans-serif font. Below the logo is a white rectangular box with rounded corners. Inside this box, the text "Sign in to Ancestry" is displayed in a bold, dark grey font. Underneath this heading are two input fields. The first is labeled "Email or username" in a dark grey font, and the second is labeled "Password" in a dark grey font. To the right of the password field is a blue eye icon followed by the text "Show". Below the input fields is a blue button with the text "Sign in" in white. To the right of the button is a link that says "Forgot password?". At the bottom of the white box is a link that says "Not a member? Sign up for free." in a blue font.

2. Complete the form with your first and last name, email address, and password. When you are done, click Create account.
