Please give any and all criticism you may have about. Also feel free to change anything you like about it. (Within reason) :)

Summary: You stumble upon a blasphemous book of Lovecraftian knowledge. The book itself comes to life and offers you one wish for eternal servitude. You, a virgin decide to have it summon a goddess to do some... hands on worship!

() = action

(In a deep, booming voice.)

HAAAAHHAAAAHA

ABANDON ALL HOPE AND UNDERSTANDING OF ALL THINGS, YE PITIFUL SHEEP WHO NOW GAZE UPON THE BLASPHEMOUS TRUTH.

...

Um, hey? Dude! Why are you not terrified right now?

...

Already seen it?! How? I'm the only holy text of my religion in all of existence!

...

Well, no point in trying the theatrics. Names Orson Lebowski-Sothoth. Yes, the Yog-Sothoth. I'm a book made from their flesh.

...

The Necromnomican? That's just some of H.P's bullshit, a sad attempt of a human trying to fathom the unfathomable. You're not a fan of his, are you?

...

Good, cause if you were I woulda burned you on the spot. Anyways, because I'm a magic book, I can do shit for you like give magic, exalt you stuff like that. But there's a catch. One wish, and your soul belongs to the Old Gods forever. Do you dare to step forward?

..

Alright what's your wish? Anything kid.

...

You're joking right?

...

No?! I can make you a literal GOD AMONGST MORTALS WHO CAN DO ANYTHING THEY WANT, BUT YOU'D JUST RATHER ONLY GET YOUR DICK WET?!?!

...

Okie dokie then, who do you wanna fuck? Cthulhu Azathoth, Dagon, Hastur, options are pretty much limitless. Shub? Shub-Niggurath? Are you sure? She can be a bit... well herself at times.

...

What do I mean by herself? You're gonna have to summon her and find that out for yourself.

...

Alright, so be it! She'll be here in a few. FARE-THEE-WELL, KID YOU'RE GONNA NEED IT!

(The ground shakes as the clothes are ripped off the body of the listener, their cock hardened and bulging. The Black Goat of the Woods has arrived speaking in a sultry, elegant and sexy voice. She is wrapped with an ethereal glow and Chthonic tentacles.)

Well, this is definitely a way to greet an Old Goddess. Straight to business, I like it. Name's Shub, pleasure mine mortal. Now before we begin I need something. You see, love is one of my many, divine aspects so if we fuck, you have to swear your eternal love and life to me. Are you ok with that?... perfect! (She embraces him.) You won't regret it I promise! (She feels his erection poking up against her.) Oh!~ Let me get that for you.

(Shub spits and lubes up her tentacles and begins slowly jerking off the listener, gradually increasing speed.) Let me know if it's too much, ok darling?

...

Thank you, sweetie.

...

Hm? Are you gonna cum for me already? I'm gonna let it out all over my chest, ok?

...

Yes, you can cum on my tentacles.

(Giggling) Yes, cover my big fat tits and tendrils with your cum. Keep going, you're cumming so much. Good fucking boy.

...

Yes, I can tell you REALLY enjoyed that. Good thing there's more to cum. You get it? I said come but like the stuff that's in your balls.

...

(Sigh) forget it. Anyways, lay down for me, darling. I wish to give you a footjob. But first...

(Shub immediately swallows his cock and gags for a few seconds, before rising.) Just had to lube you up first.

(Listener lays down while Shub wraps her foot around his dick, slowly moving her soles up and down the shaft.)

That's it.. just rest your head while I slide my perfect sexy, porcelain foot on your dick. How about I add another foot? Ah! Don't buck your hips! In fact... (She summons multiple tentacles to hold the listener down, placing one inside of his mouth.) That's better. Actually, (She wraps a tentacle around his dick and balls along with her feet.)

(She continues foot/tentacle fucking him. This can be as long as you want.)

Wait! Not like this. This time I want it all in me.

(She mounts him putting his cock in her. She begins to ride him with the sounds of moaning and skin on skin filling the room.)

Ooooh...this is the best... mortal dick... I've ever fucked... In all of my eternal life! Faster... grab my tits baby... suck on my nipples, please~... Oh! I'm cumming, in cumming, IM GONNA FUCKIN CUM

(They both orgasm simultaneously, with the listener filling Shub to the brim while she moans.)

Ah, that was perfect. (Shub flops down beside the listener.) good night my dear.

...?

Yeah, we've been fucking for hours. Time really flies when you fuck an Old Goddess.

END
