

# **CITY COLLEGE OF SAN FRANCISCO'S ACCREDITOR IS ATTACKING PUBLIC EDUCATION AGAIN—WHY?**

The Accrediting Commission for Community and Junior Colleges (ACCJC) has been empowered to determine the accreditation of colleges such as City College of San Francisco. Once again, it is assaulting City College of San Francisco (CCSF) and the diverse programs it offers its largely working-class students of color.

What is the ACCJC and The Fiscal Crisis and Management Assistance Team (FCMAT) that joins it in its attack on public education throughout California?

This question, the latest assault on CCSF, and other issues will be addressed by participants in a panel with audience participation over ZOOM on **Wednesday, March 13 at 7:00-9:00** Pacific Time to which you are invited.
