 - f. Jimmy
- 10. Cat posse
 - a. Shining star
 - b. Yum yum
 - c. KTB
 - d. toss
 - e. Kurama
 - f. Reigh/musclehunks

Notes: I tried to put the best form of recent memory of each team. Sandy and h5 are both FA, wanted to put ford gaming on here but there hasn't been a good team since like season 6 and it's all either MAL or g6 players. Thrembo/dynasty/LEBRON is kinda the same friend group and have all played with each other for a while.
