

Fact Battle

Materials: Fact Cards

Pencil and Paper

1. Mix up the fact cards.
2. Divide the cards equally between the players.
3. Each person puts his or her cards face down in a stack.
4. At the same time, each person turns over his or her top card.
5. Each person solves the fact.
6. The person with the greatest sum or difference collects all of the cards.
7. Repeat until all of the cards are used.
