Discussion Guide

#### Getting Started

- Have you ever been a part of a renovation project (house, car, furniture, etc.)? What was your experience with it and how did it turn out?
- For context, Revelation 19-22 show how God works to turn this lost and broken world into our perfect and forever home. Seven times in this section, John introduces a new part of his vision with the phrase, "Then I saw..." Together, these glimpses reveal how God will bring renewal and recreation to this world, for those who are faithful to Jesus.

#### Diving In

- Read Revelation 19:11-16
  - o What does this vision of Jesus reveal about what Jesus will return to do?
  - o How could this bring comfort to Christians aching in our world of sin and brokenness?
- Read Revelation 19:20 and 20:7-14
  - o What do you notice about what Jesus is doing in this final scene of judgment?
  - o How does this help you understand the relationship between the justice and renewal of God?
  - o How does the removal of all that opposes God give comfort and hope to you?
- Read Revelation 19:6-9 and Revelation 21:1-2
  - o This presents God's people as a bride, made beautiful to be united with Jesus. How does this imagery help you understand the love God has for you?
  - o How do you need to respond today to the invitation to the wedding feast of the Lamb?
