Wurdiboluc 12,600m/5,000m

Wurdiboluc Reservoir, Cape Otway Road

Start Location
Chain opening from carpark to track (see photo)

Finish Location
Approx 15 metres inside carpark from start line (see photo)

Marshalls
One - at the turn from lower track onto reservoir bank (to direct out going runners onto track and homecoming off the track)

Cones and Arrows

- Location at turns and regular intervals thereafter. If runners need to run a certain path, use 'gates' ie cones either side and have them in a line to direct the runners. Use directional arrows in top of cones if necessary
  At any paths/crossings that may lead t

Turnaround sign at 2.5k for the 5,000m race (Not at the calvert, approximately 75m before it)

Risk Management

- Beware of kangaroos
- Course can be muddy, slippery in places
- Track from start to reservoir bank is uneven
