

THANK YOU CAC!

This is the power of our community

On behalf of all the general services staff, we would like to send a sincere heartfelt *THANK YOU* to our Community members for their contribution and making the day a special one for our General Services Staff.

Thank you to those who baked/cooked, those who sponsored food & drinks, those who volunteered to pack, and those who facilitated the orders. We received over 150 meals and almost 50,000 EGP. cash donations.

With all efforts, we were able to give each GSS member;

Two/Three meals, a bag of assorted desserts, a Supermarket Gift Card worth 200 EGP, a drink, a Chocolate, a can of Sweet Potato, and an appreciation note from the students - (some were beautifully personalized!).

As we received many donations, we were also able to share special bags with the security & police guards around our CAC Walls. Everyone went home happy right before Thanksgiving!

We are truly thankful for our CAC community spirit.
