Adena Elementary Vision: To positively impact the life of every student.

Issue 30

April 9, 2022

Josh Jones, Principal

Warriors,

We will have an early release on Friday, April 22. This is due to The Buck Fifty Race that begins at 1:00 p.m. that day. Adena Local Schools is a checkpoint for the race.

This week we are hosting our Spring Book Fair! Students will have an opportunity to make a grand purchase from April 11th thru April 14th.

Thanks for the feedback on the PBIS survey!

Lastly, I want to remind everyone that we are closing in on Spring Break! School will be closed on Friday, April 15th and Monday, April 18th.

Programs in the Building

What is B.L.U.E?

B.L.U.E. stands for Behavior Leading Us to Excellence.

Every nine weeks, students have a chance to earn blue bucks from their classroom teacher. They earn these with good acts of behavior.

At the end of every nine weeks, if a student meets the required amount of blue bucks they will earn a nine weeks reward.

B.L.U.E. is our PBIS program, which stands for Positive Behavioral Interventions and Supports.

Below are the three tiers of behavior interventions of PBIS. Students that do not meet our nine weeks reward will receive a tier 2 small group intervention. Tier 3 is used for individual students.

Tier 1: Universal Prevention (All)-PAX

Tier 1 supports serve as the foundation for behavior and academics. Schools provide these universal supports to all students. For most students, the core program gives them what they need to be successful and to prevent future problems.

Tier 2: Targeted Prevention

This level of support focuses on improving specific skill deficits students have. Schools often provide Tier 2 supports to groups of students with similar targeted needs.

Tier 3: Intensive, Individualized Prevention

Tier 3 supports are the most intensive supports the school offers. These supports are the most resource intensive due to the individualized approach of developing and carrying out interventions.

PAX

Each teacher has been trained to implement this program in their classrooms. PAX is used to increase self-regulation, group regulation, and increase positive behavior amongst students and reduce negative behavior.

Preschool Program

Face to Face, full day sessions.
Classes meet two days a week.
Transportation is available.

Big Brothers Big Sisters Program

This school based mentoring program matches elementary and middle school students with a high school student. The high school student acts as a mentor for a younger student. The big sister or brother will meet once a week with their little sister or brother and do an activity together. The activities are designed to help the students build character strengths like motivation, resilience, and grit. High School students are meeting this week. We will then round up younger students. If you would like your son or daughter to be a part of this program, please email me at josh.jones@adenalocalschools.com.

Elementary Tidbits

1. Have pictures for the yearbook? Please send them to adenawarriorspto@gmail.com.
2. Parents- If you would like our class to celebrate your child's birthday, please contact your teacher prior to the day and your teacher can discuss details with you.
3. To help our afternoon pickup line go quicker, please pull off into a parking spot on the side if you need to get out and buckle your child into their car seat.
4. When you send a note with your child, please have the following included in your note. Your child's first and last name, teacher name, and grade level. A note should be turned in for early dismissals or late arrivals.
5. Please do not park in the end of the day pick-up line in front of the school any earlier than 2:15 p.m. This is a firelane that vehicles are sitting in. Students have been getting released at 2:45 p.m. and the last car has been coming through before 3 p.m.
