Members Absent: Pallavi Deshpande, Caroline Peck

Guests: Blake Seidner, Mark Harris, Shanil Verjee

Wedding Party

Attached are screenshots from

(Daniel Ludlam)

Senior Chat - communicated to senior class that Feb 24 would be WP, and that change possible to March 3,
Opened up an opinion poll 48-52% in favor of Feb 24 in the Event Space
Keep in mind seniors of this class

(Sami Malas)

Sami got an email in response about how seniors have friends who already booked flights,..etc.

(Grace Kelleher)

From the people I've talked to, most people seem to say that they weren't aware of the date set,

(Jesse Jennings)

Most of the underclassman (non seniors) don't seem to mind re. Date change

(Thomas Schalke)

Keep in mind the costs the senior class/others who planned ahead would have

(Julian Hernandez)

→ going through his notes and breakdown of estimates, [presentation attached](#). Please keep in mind many numbers are estimates

800 people max in the event space

Approx 100 students would not be able to go to on March 3rd, but 24th guests cannot come at all, 500 tickets less can be sold

(Cristina Lee)

The reason DOS is really worried about having it in the Event Plaza in general is bc they sold the # of tickets and students who had paid for the tickets could not get in

(Mark Harris, '18)

March 3rd sounds like the best option, send an email out to the student body, will hopefully throw an alternate event at apts 24th instead

(Daniel Hayon)

Move Daisy Dukes to the weekend that seniors are off campus in Vegas

In accordance with the statute decided at the 1/21/18 board meeting that in the absence of VPSA, the ultimate decision would be up to Josh Guggenheim, Patrick Elliott, and Whit Lippincott, who agreed with the consensus in the room, and ultimately decided to change the date of Wedding Party to March 3rd, 2018.

Board Adjourned @ 11:15pm

As per the new Constitutional changes (12.g.i), President Pro Tempore, Thomas Schalke decided these informal [conversations](#) from board members regarding Wedding Party should be published.
