

Terms of Service — Miss Wendy

Last updated: June 2026

Effective date: June 2026

1. Acceptance of Terms

By inviting Miss Wendy ("the Bot") to your Discord server, or by using any of its commands, you agree to be bound by these Terms of Service ("Terms"). If you do not agree, do not use the Bot.

These Terms apply to all users, including server administrators who invite the Bot and individual users who interact with it.

2. Description of Service

Miss Wendy is a Discord music bot that allows users to play audio from supported platforms (YouTube, SoundCloud, Spotify links) inside Discord voice channels. Additional features include queue management, playlist saving, play history, and voting rewards via top.gg.

The Bot is provided free of charge. Certain enhanced features are available to users who vote for the Bot on top.gg.

3. Eligibility

You must be at least 13 years of age to use the Bot, in compliance with Discord's own Terms of Service. By using the Bot, you confirm that you meet this requirement.

4. Acceptable Use

You agree **not** to use the Bot to:

- Violate any applicable local, national, or international law or regulation

- Stream, share, or distribute content that infringes on copyright or intellectual property rights
- Harass, abuse, threaten, or harm other users
- Attempt to exploit, reverse-engineer, or disrupt the Bot's functionality
- Use automated scripts or tools to interact with the Bot in ways not intended by its design
- Circumvent any restrictions, rate limits, or permission systems built into the Bot

Server administrators are responsible for ensuring their members use the Bot appropriately within their servers.

5. Content & Copyright

Miss Wendy does not host, store, or distribute audio content. It facilitates playback by interfacing with third-party audio sources (YouTube, SoundCloud, etc.) via Lavalink. You are solely responsible for ensuring your use of audio content complies with the terms of those platforms and applicable copyright law.

We do not claim ownership of any music or audio played through the Bot.

6. Voting & Rewards

The Bot integrates with top.gg for a voluntary voting system. Voting grants temporary enhanced features ("voter perks") for 12 hours. These perks are offered as a courtesy and may be changed, reduced, or removed at any time without notice. There is no monetary value associated with voter perks and they cannot be transferred or exchanged.

7. Service Availability

Miss Wendy is provided on an "as is" and "as available" basis. We do not guarantee:

- Uninterrupted or error-free operation
- Availability at any specific time
- That audio from third-party sources will always be accessible

We reserve the right to suspend, modify, or discontinue the Bot — temporarily or permanently — at any time without prior notice.

8. Termination & Blacklisting

We reserve the right to restrict or permanently block any user or server from accessing the Bot at our sole discretion, including (but not limited to) cases of abuse, harassment, or violation of these Terms. No prior warning is required.

You may remove the Bot from your server at any time by kicking it through Discord's standard server management tools.

9. Limitation of Liability

To the maximum extent permitted by applicable law, Miss Wendy and its operators shall not be liable for any direct, indirect, incidental, special, or consequential damages arising from your use of, or inability to use, the Bot — including but not limited to loss of data, loss of goodwill, or service interruption.

10. Changes to Terms

We may update these Terms at any time. Continued use of the Bot after changes are posted constitutes acceptance of the revised Terms. We will endeavour to announce significant changes in our support server.

11. Governing Law

These Terms are governed by the laws of India. Any disputes arising from these Terms or your use of the Bot shall be subject to the jurisdiction of the courts of India.
