

AI REVENUE REVOLUTION

EARN BIG WITH AN AI CERTIFICATION

The graphic features a dark blue background with glowing icons of a lightbulb, a bar chart, a pie chart, a globe, and a network diagram. In the center, the letters 'AI' are prominently displayed in a glowing, orange-yellow font. Below this, the text 'AI ASSISTED AGENCY' is written in a bold, yellow, italicized font. At the bottom, two individuals are shown: a man on the left and a woman on the right, both smiling and gesturing. Between them is a stack of gold coins with a blue arrow pointing upwards. The names 'KANE MINKUS' and 'ALESSIA MINKUS' are written in white capital letters below each person. The entire graphic is framed by two green apple icons with dollar signs on the left and right sides.

Meet The World Renowned, Silicon Valley, Technology Trainers of the AI Unleashed Summit

Kane is renowned as one of the best business coaches in the world, having assisted entrepreneurs and investors in nearly every industry and niche. Kane's extensive knowledge and obsession with transformational technology & AI have led him to dedicate his time to researching new AI solutions before they become widely known. His commitment to AI has made him a sought-after faculty member for Tony Robbins' Business Mastery events, Richard Branson, Robert Kiyasoki, and dozens of other influential world leaders.

Alessia is one of the most experienced entrepreneur coaches in the world, having personally advised thousands of female founders, setting them up with seven and eight-figure strategies. She is also a serial entrepreneur herself, having personally started and scaled up nine companies that have generated a total of over \$180M in revenue. Over the last two decades as a business owner, she has faced every possible challenge and, through this, has a mission to create a world where female founders have the AI tools and knowledge they need to make a global impact.
