

Burn Season

Burn season begins October 20th. Slash piles burn fast and hot this time of year. Have a charged water hose available when burning.

Mail Delivery

People are reporting US Post Office delivery issues. Package keys are being put in the wrong mailbox. The Sagle postmaster is aware of the problem and attributes the issue to breaking in a new carrier. If you receive a package that belongs to someone in the neighborhood, please be courteous and deliver the package to them or call a board member so they can contact the recipient.

Governing Documents Vote Results

Ballots: 35 voting - 27 votes needed to approve CCRs (75%)

	<u>Approve</u>	<u>Disapprove</u>
Bylaws	30	4
Articles	30	4
CCRs	29	5

Final results. Voting closed February 12, 2024 @ 5:00 pm

Be a Responsible Dog Owner

The Board would like to remind dog owners to control your dog(s) at all times when outside. Part of the appeal of Canyon Creek is 3 miles of private roads to walk or bike. Therefore it is extremely important that we keep our streets and common areas safe from uncontrolled dogs. Article VI of our CCRs prohibits dogs from being allowed to run at large and requires owners to restrain their dogs outdoors.

New Radon Page

I've added a new [radon gas information page](#). Monthly radon test results will be posted to this site.

BonFire

[BonFire permission to enter premises form.](#)

Fiber Internet Coming

[Kaniksu Internet](#) will be installing fiber Internet in Sagle starting Spring 2024. Get discounted installation with a \$50 [deposit](#) now. According to a [University of Chicago study](#) **property values increase 3.4%** when fiber Internet is installed.

Snow Plowing

[Plow information](#)

Don't Feed the Animals

Deer, elk and moose are well adapted to survive even the harshest of North Idaho winters without humans feeding them. Not only is feeding wildlife harmful, it is illegal. [Idaho Department of fish and Game](#): "It is unlawful for any person to intentionally or knowingly feed or attract wildlife (wild or habituated) except those birds and squirrels as allowed in section 6.04. 260. C.e .

Burn Season

Burn season (without a burn permit) is October 20th - May 10th.

Stay on the Pavement

Keep all 4 wheels on the pavement when making turns. Driving off the road on corners breaks down the black top and costs you money in repairs.

Firewood Donation

If you would like to donate firewood contact [Firewood Rescue](#) at firewoodrescue2020@gmail.com
