

Expedition Trek by CoinW

Wednesday, May 29

5:00 PM - 7:00 PM

The Belmont - Austin Texas

This is an Invitation only event

Event Description:

Get ready to lace up your adventure boots and dive into the heart of Austin, Texas bustling energy with CoinW's Third Expedition Trek! Set against the vibrant backdrop of the Belmont Club, this isn't just any gathering. It's a Two-hours whirlwind of inspiration, set to kick off on May 29, 2024, at 5:00 PM, followed by an after party with the exceptional guys, Tobi and Brent.

Expedition Trek by CoinW, is a prestigious gathering that navigates the forefront of Web3 innovation and emerging technologies. It serves as a global platform, uniting thought leaders, industry pioneers, and passionate community members on a journey of exploration and collaboration.

Objectives:

Our primary objective is to facilitate meaningful dialogue and collaboration within the Web3 ecosystem. Through panel discussions, roundtables, and workshops, we aim to deepen understanding, foster innovation, and drive progress in areas such as blockchain, crypto, fintech, and decentralized finance.

Speaker Profile:

Expedition Trek boasts an impressive lineup of speakers, comprising government entities, regulators, industry leaders, and renowned experts in the field of Web3 technology. Each speaker brings a wealth of knowledge and experience, offering unique insights and perspectives that enrich the discourse and inspire action.

Attendee Profile:

The event is tailored for a diverse audience, including professionals, entrepreneurs, investors, and enthusiasts with a keen interest in Web3 and its potential impact on society. Whether you're a seasoned veteran or a newcomer to the space, Expedition Trek provides a valuable opportunity to connect, learn, and collaborate with like-minded individuals from around the world.
