Tallaght Hospital Career Talk on Zoom Occupational Therapy, Medicine, Pharmacy and Physiotherapy	Monday 3rd November 2025	10am - 12pm	In School on Zoom	We are delighted to get in touch with you with provisional details of the Transition Year (TY) webinar series which will be taking place in November 2025. It has been designed to give Transition Year students an opportunity to learn about the various career pathways within both Tallaght University Hospital (TUH) and the Irish Healthcare System. Students are encouraged to listen to all speakers. Please be advised that many of the speakers are clinically based & this may result in a speaker having to withdraw from the programme at short notice. This series explores many of the career pathways including Medicine, Nursing, Science, Health and Social Care professionals, Finance, Human Resources, Catering and Patient Services. Healthcare Professionals and other cohorts of staff who will deliver talks about their role within TUH and students are given the unique opportunity to interact with speakers by questioning via chat box. Please also see attached the ground rules for attendance and some information regarding certification upon completion of the series. The programme runs from 10am – 12pm each morning on Zoom (see details below). Full Schedule details and Zoom links will be forwarded to schools in due course.  Certification for the Series.pdf	All TY	Can teachers please supervise in the STEM room	FREE

TUD SC Insight Visual Merchandising Workshop	Thursday 6th of November 2025	9.45am-1p m. STUDENT S MAKE THEIR OWN WAY THERE AND BACK	TUD Grangegorman East Quad Building Meeting Ian Roller at reception. If you are having difficulty finding him you can call him at 087 9396970	The workshop will take place on Thursday 6th November - 10:00 to 13:00. It will be facilitated by Michelle Lalor, who is the programme Chair for the BA Visual Merchandising & Design Display programme in TU Dublin and has extensive experience in in managing visual merchandising/design displays, windows, and in-store design. Visual Merchandising (VM) is the practice in the retail industry of developing floor plans and three-dimensional displays to maximize sales. Both goods and services can be displayed to highlight their features and benefits. The purpose of such visual merchandising is to attract, engage, and motivate the customer towards making a purchase. During the SC Visual Merchandising Insight workshop;, with the support of current TU Dublin VM students, your students will get the opportunity to upcycle various items of clothing and, with different accessories and mannequins, create a unique window display. The workshop will give your students a good snapshot and understanding of the type of course Visual Merchandising and Display is in TU Dublin (174) Visual Merchandising and Display - TU Dublin - YouTube	3 Spots Available: Lukey Layla Patrik VERIFIED ON TYRO	Students attend independently and let their work experience know that they will not attend on this day	FRE E + Luas Fare

Barbering and Hairdressing Workshop	Fri 7th of Nov 2025	2 workshops 11am-1pm 1.30-3.30pm	In school Lizzie McGhee pink2605@gmail.com	Dynamic Workshops Overview... The workshops introduce the fundamentals of hairdressing & barbering, tailored to a student audience. The session runs for 2 hours, with a blended learning approach of both theory and hands on activities. The course covers a variety of engaging topics, such as... • Health & Safety • How to get started in the industry. • Latest trends, face-shaping, and colour • Busting hair myths • Trichology (hair and scalp related problems) • Common contraindications There is also a hands-on opportunity for students to use the scissors/clippers and styling tools in a safe supervised environment that provides a memorable and valuable learning experience. Most importantly Lizzie makes the experience fun and memorable.	ALL TY - will have to split into two groups. Booked by MMcG via email	Teachers to supervise in the STEM room	€10 per student PAYMENT LINK SET 10/10
Senior Cycle Applied Social Care Insight	Fri 7th of Nov 2025	9.45am-1pm	TU Tallaght The Synergy Centre Synergy Building Tallaght https://maps.app.goo.gl/rrkHdFP1PnRejKkq5	The Applied Social Care workshop on Irish family law offers a unique, interactive experience where participants will explore key legal principles in a fun and engaging way. The session will focus on the basics of family law, including issues like divorce, custody, and maintenance, with an emphasis on mediation as a conflict resolution tool. As part of the workshop, participants will engage in a mediation role-play game, where they will apply these principles to hypothetical scenarios. Throughout the game, participants will have the chance to win small prizes based on their involvement and understanding of the topics, making the learning process both educational and enjoyable.	3 Spots Available Mrittica Katie Kelly Chloe REGISTERED ON TRYO	Students attend independently	FREE + LUNAS Fare

Tallaght Hospital Career Talk on Zoom Radiology, Medical Scientist, Finance and Human Resources	Monday 17th November 2025	10am - 12pm	In School on Zoom	We are delighted to get in touch with you with provisional details of the Transition Year (TY) webinar series which will be taking place in November 2025. It has been designed to give Transition Year students an opportunity to learn about the various career pathways within both Tallaght University Hospital (TUH) and the Irish Healthcare System. Students are encouraged to listen to all speakers. Please be advised that many of the speakers are clinically based & this may result in a speaker having to withdraw from the programme at short notice. This series explores many of the career pathways including Medicine, Nursing, Science, Health and Social Care professionals, Finance, Human Resources, Catering and Patient Services. Healthcare Professionals and other cohorts of staff who will deliver talks about their role within TUH and students are given the unique opportunity to interact with speakers by questioning via chat box. Please also see attached the ground rules for attendance and some information regarding certification upon completion of the series. The programme runs from 10am – 12pm each morning on Zoom (see details below). Full Schedule details and Zoom links will be forwarded to schools in due course.  Certification for the Series.pdf	All TY	Can teachers please supervise in the STEM room	FREE

				maintenance and greenkeeping etc. The workshop is being facilitated by TU Dublin lecturer Rachel Freeman t.ly/zgXu1. In this 3 hour workshop your students will get the opportunity to make a winter wreath and learn about the horticulture industry. If there is time they will also get to plant up a seasonal planter bowl. Places are limited to 3 per school and at the moment can only be offered to a maximum of 3 schools on a first come, first served basis. Schedule: Winter wreath Using sustainably foraged foliage from the campus gardens, students will create Winter wreaths. Each student will prepare stems and finally design and create a winter wreath. The group will discuss the need for sustainable approaches to seasonal decoration, and students will learn to use secateurs safely and how to take care of the finished pieces. Planter bowl If there is time, students will get the opportunity to plant up a seasonal planter bowl with winter flowering primroses. They will learn about potting compost, plant selection and

National Gallery of Ireland Block Work Experience	Monday 19th – Friday 23rd of January 2026	All-Day	The National Gallery of Ireland https://maps.app.goo.gl/SnYxS4wVY2pkSj38A	I am emailing to let you know that the National Gallery of Ireland's Transition Year/ Youth Work Experience applications are now open. I would be grateful if you could pass this on to the relevant teachers and TY Coordinators. We run three placements a year – one virtual (Mon 17 – Fri 21 November 2025) and two onsite (Mon 19 – Fri 23 January and Mon 9 – Fri 13 February 2026). Applications must be made through the online form on our website, and we do not accept CVs or cover letters. The closing date for applying is Sunday 12 October at 11.59 pm.	TBC	Students attend independently and let their work experience know in advance	FRE E

Conflict Resolution Workshop	Monday 19th of January 2025	3 hours 12-3.26pm	In School with facilitator Sorcha Mallen mallen.sorcha@ro otedresolutions.n et	<i>Navigating Conflict for Teenagers</i> is a workshop that enables students to understand conflict, their emotions, and how to build good relationships. It offers students a tool-kit of communication and resolution strategies to use in difficult situations, helping them connect to themselves and others in healthier, more constructive ways. The workshop will provide your students with the vital life skills to understand, recognise, and navigate their way through personal conflicts. UCD CuriosiTY Programme	Monday, 26th January to 30th January 2026.	10:00 am to 4:00 pm Monday to Thursday and 10:00 am to 3:00 pm on Friday.	UCD Conway Institute building	We expect you to arrive on time and be in attendance during these hours. Transport will be provided to and from your school each day. Each day there will be short breaks and an hour for lunch. €10 lunch vouchers will be supplied each day which can be used at specified UCD food and drink vendors. Fruit and cereal bars will also be provided outside of this, so please be sure to tell us if you have any dietary requirements and allergies on the student information form. School uniform is not required and there is no strict dress code. For safety reasons, you must not wear open toed shoes or very high heels. Long hair must be tied back during lab work. Twenty five transition year students are joining us, from ten different schools and will all work together. The activities during the week will be run by a team of people from the UCD Conway Institute; most of whom are postgraduate researchers in our institute who you will have lots of time to meet and learn from. You will also hear from people with different jobs and career pathways in science. The placement week has been funded by Research Ireland and the Department of Education. If you have any questions, please get in touch with us via email at: CuriosiTYprogramme@ucd.ie	ALICE L Verified on Tyro	STUDENT ATTENDS INDEPENDENTLY	FRE E

Theatre in Education workshop	Mon 9th Feb	1pm - 3.30	The Civic Theatre Tallaght	We are delighted to offer 20 FREE places to TY students interested in attending well crafted and highly enjoyable Theatre in Education workshops next month. <i>The Challenges of Being My Best Self</i> developed by Real Learning Ltd. in co-production with The Civic Education programme is a 2.5hr workshop at The Civic Theatre on 9th and 10th February 2026 9.30am-12pm or 1-3.30pm. Real Learning Ltd. have partnered with The Civic to co-produce <i>Life Play</i>, a programme specifically for secondary school students with these tailored workshops as part of our Education programme since 2024. The Challenges of Being My Best Self for TY Students is unique in style as the actors and audience work together to tell the story. The audience can stop the story and ask the actors to have the characters approach the challenges they face in different ways. This 2.5hrs workshop gives TY students the opportunity to enjoy learning through live theatre experience, sharing ideas and offering solutions. Three real life scenes have been written and designed with the input from Young People, Teachers, Guidance Counsellors, Drama Therapist, Clinicians and Youth & Engagement Community Workers. Unicef Youth Activism Workshop	Fri 24th April	All day	Office of the ombudsman for children Ombudsman for Children's Office Millennium House First Floor 52-56 Great Strand Street Dublin 1, DO1 F5P8 Ireland	UNICEF Ireland. - This full-day interactive workshop explores <i>inequalities and youth activism, giving students the opportunity to develop advocacy skills, engage in debate and discussion, and reflect on how young people can influence change at local and national level.</i> DETAILS UNICEF Ireland is delighted to have you participate in our upcoming TY Training Programme on Friday, April 24th, as part of your TY Work Experience. This is a one-day course that starts at 10am and finishes by 15.30/ 15.45pm.	Limited places available Ruby Lily Anaya Layla Liam Sibuele Mrittica Siuzanna Lukey Sofie Abel Henrique	Students attend independently	FREE

				Please note: If for some reason you have changed your mind, please let us know. If we have not heard from you and you do not attend, we will need to let your school know. We will provide pizza for lunch and some snacks throughout the day. Please bring a reusable water bottle with you, there is a water cooler in the office. There is no dress code for the training, please just wear whatever you are comfortable in – people often wear jeans and a hoodie for example. The location of the training is Ombudsman for Children's Office 52 Strand Street Great, North City, Dublin . To access the building, go to the entrance on the pedestrian walkway where you will need to

Ombudsman for Children Office	Tuesday 19th May to Friday 22nd	9.30-3.30p m	Ombudsman for Children's Office, Millennium House, 52-56 Great Strand Street, Dublin 1	Our TY programme gives students a valuable opportunity to gain an insight into the diverse work of our office. Over the course of their week here, students will get the chance to meet staff from across our office (including the Ombudsman himself) and will undertake tasks related to the work of each team. Tasks are specifically designed to be age-appropriate and to enable students to enhance their research, design, presentation, communication, and administrative skills. On top of this, students will be able to explore and discuss children's rights issues that they care about.	Siusanna K
