Hi Parents -

Today has two important bits of information -

1. Zoom link for tomorrow's "Meet the Teacher" session
 - a. If you haven't signed up yet, [please do that here](#).
2. The schedule for your student's online learning that starts Monday, August 31!!

Zoom -

The link for meetings that begin on the hour (**9:00, 10:00, 11:00, 1:00, 2:00, 3:00**) should use this link:

You will sit in the "Waiting room" until right before the scheduled time (Please don't worry that you're not in the right spot). When joining Zoom, we'd love it if you could use your student's name as the display name, but if you can't change yours, please don't worry!

Please only attend the meeting that you signed up for to help us manage numbers - we currently have 100 families in our remote learning 1st grade program.

Weekly Online Schedule -

We have attached each school's weekly online schedule for those participating in live instruction. Please view your student's schedule based on their home building.

Please note, at this time we are unable to switch students assigned times. Keep in mind all lessons will be recorded and posted daily if there is a day when scheduled times conflict for your

family. We are really hoping that we get the opportunity to meet with as many students “live” on a daily basis.

Thanks for support and partnership in your child’s remote learning! We are so looking forward to meeting with you and especially to begin lessons with students next week!

For your reference, here are the previous email(s) you have received from us. If you’re new to the Remote Learning group please review all prior communication. If you have any questions, let us know!
