

Logman House (L16) and Cabin were built by William Logman. He built the cabin on Lot 3 about 1898 and the house in 1916. Bill Logman arrived in Hope in 1896 . His 1898 cabin served as his doghouse after he built the 1916 house. Logman mined on Resurrection Creek, sold his holdings to the St. Louis Mining Co., and lived to be 99. Bachelor Logman was praised for his gardening, particularly his raspberry bushes ...
