TERMS OF SERVICE.

Important Information:

Turnaround time can be anywhere between **a day** and **two months**. However, if you do want an update from me, IM/Note/message me, I will get back to you with updates on the situation immediately.

The Commission Process:

I only ever open for commissions 10 at a time and it is not via a first come first serve basis. Commissions are taken via a Google Form which you must fill out correctly in order to be approved. If I approve of your idea, I will contact you via your handle to discuss the idea further with you.

Once the idea has been approved and paid for, you will be sent a sketch for approval, and once this is approved I will progress to lineart ect ect.

Payments:

Payments are accepted via Paypal invoice only, and must be paid in full once the sketch is approved. If the Commission ends up over £100, then we can discuss potential payment plans.

Refunds:

Refunds can be requested as long as the commission has not yet been started, and it is within a week of the initial purchase. If the commission has been started, a refund is not an option, so please make sure you have the money for it beforehand.

References:

I do not accept written descriptions of characters. If you send me a written description, I will most likely reject your commission. I also do not accept Second Life references, as they are difficult to work from. I will work from shaded references, however there must be some leeway for liberty on the colours. The reference most likely to be accepted is a flat coloured, easy to read reference. I will not draw from a real life photograph unless it is for a transformation piece.

Changes to Image:

Each piece gets a limit of 3 changes, before extra £5 charges are added. If the change is genuinely an artists mistake. I.e. I forgot something that is clearly visible on the reference, then I will correct it free of charge. However, if the change is not very clear on the reference, there is a 3 free change rule before charges begin applying. Once the image reaches the flat colour stage, changes cannot be requested.

Character Limit

Each piece has a limit of three characters per piece. I will not draw scenes involving more than three characters.

Each character has a 50% additional charge fee to the commission price.

WHAT I WILL/WONT DRAW.

The good stuff:

There are some themes and topics I am more likely to accept than others. They are as follows:

Themes:

- Maws
- Vore
- Gore/Snuff/Torture
- Transformation above 80%

- Pokemon
- Filth/Grossness/Musk

Species:

- Scalies
- Birds
- Monsters
- Ungulates
- Pokemon
- Aquatic creatures
- Planes

Although if there is anything you're unsure about you can inquire!

The No-gos.

The list of themes and topics I will NOT cover in art, and cannot be persuaded to cover.

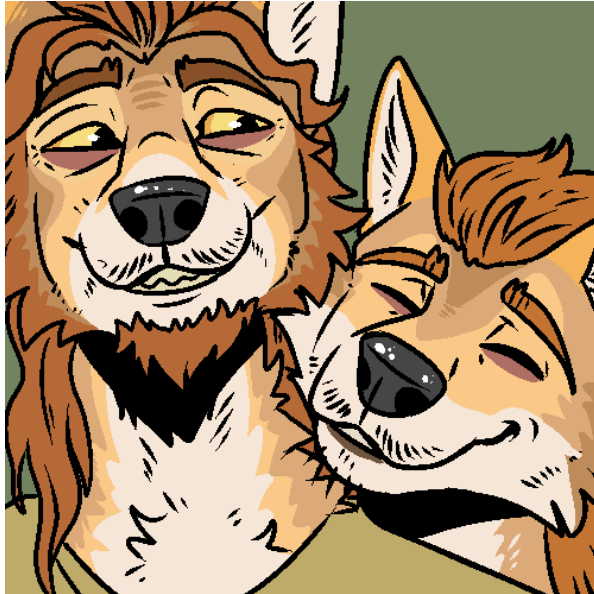

- Cub
- Inflatables
- Racist/Hate Speech themed.
- HATE ART. Do NOT commission me to draw hate art of someone else's character. If I suspect this may be I will note the person asking if you got consent first.
- For the most part, sex. I am fine with pinups but multiple character sex is something I do not enjoy drawing.
