

Stop the Islamification of Texas

WHEREAS, Islam has proven itself to be a political ideology and not a religion;
now,

THEREFORE, BE IT RESOLVED that we the people of Cooke County and the great state of Texas request that the 90th legislative session address this issue and classify Islam as a political activist group and strip away all 501C3 entitlements.

BE IT FURTHER RESOLVED THAT the Texas Attorney General investigates all political funding that stems from this political activist group and ties to land development within the state of Texas.
