**4 FEB 2015**
**I will assume  that this guys are really enthusiastic looking the party in the next house. The boys seem to have fifteen years with all curiosity about the life, they wish cross the wooden fence but they know that not must.**
**Everybody know about the bad lifestyle of his neighbors and how many times the police officer arrives before of his big, noise and crowded party's.**
**It's terrible when we can do the things that we should NOT ! ,but if we want to live a good life free of problem...we need to do that we have to do.Great Story! Really imaginative**

**09/02/15**

**My favorite cook i prepare with love i think that is the best ingredient for any meals. Usually i like to have all the thing around of me like as ingredients and cook utilities and try to invent something delicious ...for example , yesterday i prepared grandma recipe: first, put in a bow five big potatoes with one liter of water, i put it to boil for twenty minutes. Second, the sausage the pick in bits and fries in a short time**

**11/02/15**

**My little girl i need you that you hear this friendly words because i love you.**
**Keep in your heart and your mind this advices that can serve for the rest of your life, Heard this old woman have to tell to you to do the right things in your life, always say the true not matter what happen, always hear the advices from old peoples ,get humildity not matter in the situation or status that you will find you.You don`t fabricate things that then dont work very well , you always have to be correct in your acts**

**,**

**Your writing is great, Nuria! You are very creative and have a lot of nice ideas. Continue to focus on:**

- **Subject-Verb Agreement**
- **Capitalization ( "I" is always capital, "i" is incorrect)**
- **When you want to add an idea that add information to a sentence, use "and"**

**18/02/15**

**Someone calls your name. You turn around and it`s you....**
***- Nuria!!!***
**why ? I can`t believe . Who are you ? you look like me. ( I said)**
***- I'm your sister , we are twin! ( she replied)***
**Why?. . . I can`t believe that. I`m really surprising with this. Why my parents never tell me nothing about this ? How it is possible ?.**
***-Because the day that we were born, the nurse that worked in this precariously hospital, kidnap me, by how beautiful that I saw.***
**I`m in shock , my parents will feel very excited when they meet you.**
**23/02/15**

**Bilingual dictionaries can help non- native learners in two very import ways because it is usually non-native people need tools to learn or have a comprehension of something.**

**Nowadays, it is common see non-native learners  talking or writing in other language with help of this bilingual dictionaries. For example , learners try to do more things alone without the necessity to be accompanied  for someone.**
**However ,they could shooping, travel ,cook, read , and many things only with this practical tools, it is important to recognize the importance that people put in this way to learn and not only meander in a little conversation with silly words  that they don't know**

**Beautiful paragraph, Nuria! Your writing has improved a lot! Here are the areas you still need to focus on:**

- **Subject-Verb Agreement**
- **Null Article with -s v.s. "the" article**
    - **if you have a common noun with no article, add an -s add the end of the noun**
    - **If you have a common noun and want to keep it singular, you can add "a" or "the"**

**2 March 2015**
**He look around again and  he can't  believe this amazing experience. Suddenly, he feel his heart  full with all this feeling inside of him ,  this beautiful little town with all this tiny things. The sun bright and the snow falling around him like pillowy . After that, he fell so little like an ant in front of this majestic view but enormous  like a mythological God  , he felt an incertain power in his hands.**

**4/03/2015**
**Suddenly, all his memories life passing  around  his mind , he couldn't understand the totality of his  strange feeling ...he only star to fly….flying between the clouds and the sun, flying around the rainbow, flying  between his dreams …. …..and it was the end. He found a way circumvent for his problems...he didn't  want  to try again , to give an opportunity to life , he only choice  feel this peaceful for ever.**

**16/03/2015**
**Student study habits for preparing for an exam**
**Clearly many student want to be successful when they're studying for an exam, it's for this reason that I will mention the most frequently ways to get good score.**
**First, find a clearly and peaceful place to study. Although, don't forget change this place many times because its not good stay in some place all the day. Also the student will take a little breaks for relax the mind- its necessary for a good  activity of  the brain- it could be almost 5 min every two hours**

***Dubai a interesting place to visit***

**There are a lot of wonderful cities that I wish to visit before 35. However, Dubai caught my attention more than others.The Emirate of Dubai is the best option to know the limits of the imagination. Dubai shows some of the most famous tourist attractions with Guinness World Records, such as: the Dolphinarium, Cable Car, Camel Ride, Horse Carriage and Exotic Birds.**

**For me Dubai's history is interesting to know something historic about the city before that I will travel to: After Dubai's oil revenue helped accelerate the early development of the city in the 60s, it was not until a few decades ago that Dubai started to be a cosmopolitan city. And today, less than 5% of the emirate's revenue comes from oil. So that, now coming from tourism, real estate and financial services.**

**Besides, Dubai offers a variety of food alternatives that goes from middle eastern food to other alternatives that include chinese, hindu, hispanic, etc.**

**For this reason, I will start planning my trip for this incredible city, I cannot wait to walk through these swanky hotels and aristocratic residential palaces , extravagant shopping centers, entertainment centres and see the beautiful connection of the sea with the sky.**
