

*"What we need are positive, realistic goals and the willingness to work. Hard work and practical goals."
Kareem Abdul-Jabbar, professional basketball player*

Not a lot to share this week. 😊

Continue to refine your lesson plans and include your differentiations!! I look forward to seeing how you analyzed your literacy data to plan your small groups!

Updates, Reminders, and Instructional Supports...

(Teacher Evaluation Standard III: Teachers Know the Content They Teach, Teacher Evaluation Standard IV: Teachers Facilitate Learning for Their Students, & Standard V: Teachers Reflect on Their Practice)

PAST MAKE-UPS: Assess returning students. The window will open back up tomorrow for you to enter their data. Just like last week, it will close again on Thursday at 5:00 so make sure you have your PAST data entered before then.

PARENT TEACHER CONFERENCES: During your Parent Teacher conferences, remember to talk with your families about how they can help their child finish the year strong by teaching them their home address and preferred telephone number. Also provide guidance to them about ways they can interact with their child to identify their body parts.

SEL CHECKPOINTS DUE: If you haven't done so already, complete your [Social Emotional checkpoints](#) in TSG. Friday is the deadline to have them completed.

Remember to only mark 'not observed' for those we are not marking and then choose 'finalize' for that section only.

The Family Conference form in the Reports section can then be printed and given to your families during your Parent Teacher Conferences.
