AIRCRAFT HITS FOUR BUILDINGS:

This is tough to see. It just shows the dangers of attending these events.

Amazing photo below shows great detail.

The pilot at low level, had no control over his aircraft.

It narrowly misses a crowd gathered for the Air Show and slams into four buildings. One can only imagine the horror of the occupants inside those buildings.

No one was killed, but it probably scared the crap out of them.

John's Joke

A Catholic Priest was being honoured at his retirement dinner after 25 years in the Harwich parish.

A leading local Councillor and member of the congregation was chosen to make the presentation and to give a speech at the dinner. However, he was delayed, so the Priest decided to say his own few words while they waited.

“I got my first impression of the parish from the first confession I heard here. I thought I had been assigned to a terrible place. The very first person who entered my confessional told me he had stolen a television set and, when questioned by the police, was able to lie his way out of it. Furthermore, He had stolen money from his parents; embezzled from his employer; had an affair with his boss's wife; had sex with his boss's 17 year old daughter on numerous occasions, taken illegal drugs; was arrested several times for public order offences.

I was appalled that one person could do so many awful things. But as the days went on, I learned that my people were not all like that and I had, indeed, come to a fine parish full of good and loving people.”

Just as the Priest finished his talk, the Councilor arrived full of apologies at being late. He began to make the presentation followed by his talk.

“I'll never forget the first day our parish Priest arrived,” said the Councillor . “In fact, I had the honour of being the first person to go to him for confession.”

Moral: Never, Never, Never Be Late
