

Celeste Hackett is a Board Certified Hypnotist practicing at Family First Hypnosis in Plano, Texas, since 2006. She holds certifications from the National Guild of Hypnotists (NGH), one of the world's largest and oldest hypnosis organizations.

Previously, Ms. Hackett was a Certified Professional Hypnosis Instructor (CPHI) and owned one of only two state-licensed hypnosis schools in Texas, formerly Dallas Hypnosis Career Training. While she no longer operates the school, she is now regularly invited to teach students from all over the world, sharing her expertise with professional hypnotists seeking advanced training.

She is also a regular columnist for the Journal of Hypnotism—the premier publication of its kind, produced by the National Guild of Hypnotists.

Throughout her career, Ms. Hackett has received multiple accolades, including:

- 5-PATH Leadership of the Year (2007)
- CPHI of the Year (2010)
- 7th Path Teacher Leadership (2012)
- Top One Percent (2012)
- Professional Leadership Awards (2013)
- CPHI of the Year (2013)
- CPHI of the Year (2015)
- Professional Leadership Award (2017)
- Lifetime Achievement Award (2019)
- 7th Path Self-Hypnosis Teacher Leadership Award (2024)

In addition to her NGH credentials, Ms. Hackett holds multiple certifications with the International Association of Hypnosis Professionals and is a Certified Life Coach through the Certified Life Coach Institute.

Before transitioning to hypnosis, she had a successful 24-year career as a radio announcer. Her passion for helping others led her to explore hypnosis, opening her practice in 2006.

While these professional recognitions reflect the esteem of her colleagues, what Ms. Hackett values most is the impact she has on her clients. Her 4.9 to 5-star Google rating, maintained for nearly 20 years, is a testament to her ability to achieve excellent results for everyday people with extraordinary problems.

Her extensive experience and dedication have positioned her as a leading professional in the hypnosis community, serving clients in Plano and surrounding areas, including Richardson, Allen, Frisco, and McKinney.
