These can not be done in the Painterly Style

## **What else to include in your commission request**

- Who is in the picture? What are they wearing, if anything?
- What the Character(s) doing? (activities, emotions, pose)
- Put in a background? If so, describe background and where character(s) is located in background.
- Reference information, or picture, of character(s) (appearance, height).
- Include anything else you think should be mentioned.

## **Terms of Service**

### **What I will not draw:**

- NO pornographic or sexually suggestive acts of minors. (younger than 18 years of age)
- I can draw babies, but NO dirty diapers.
- NO Asphyxiations.
- NO Scat, Vomiting, or excrement of any kind.
- NO excessive amounts of pudge. Namely ones that take up the whole screen and to which the character is just a melting blob of fat. Inflations are acceptable though.

Note, there might be a few others I didn't mention. I will tell you if I'm not willing to draw the subject matter. With that said I'm very open to most inquiries. Don't be afraid to ask for ANYTHING from me. Worst case scenario I'll just say I can't draw that inquiry.

### **Commissions being processed**

I will try to finish commissions in a more timely matter than I do my own works. However due to unpredictable circumstances, the finished product could take anywhere from a couple days to around a few months, depending on the time of year, namely if I'm in college, and the size of the queue list (link provide above). I

will give status updates on how far I am done with commissions. Please, don't constantly e-mail me about my commission not being finished. I do not work on a first-come-first-serve basis; I try to draw all pictures first as sketches then colorized them. Whoever receives their product first is completely on a delivered-when-it-is-finished basis. Delivery is done via Dropbox links or Google Drive.

All of my commission are completely digital, even the sketches. All pictures are done on a resolution of around 3600 x 2400 pixels, but this may vary depending on the request. You will also be provided with a reduced size of 1280 pixels.

### **Payment Method**

The prices are non-negotiable. All payments are done via PayPal. After you give me a good description, I will provide you the e-mail to my PayPal. You will not receive your commission until I receive my pay first. Send the payments as “good or services “, do not provide a shipping address, and special instruction will not be needed.

### **Usage**

You can feel free to post the commission where ever you want, but be sure to credit me, Jammer Highwind, as the artist. Links to my galleries would also be nice. I may also use the commission for my portfolio as I please, unless it is requested this remain private. All commissions are not commercial and shall not be sold for monetary reasons. If you want a commercial commission please tell me.
