

[three knocks]

Muffled: Your sister got a call from her boyfriend and had to run out to get him. Something with car troubles, not really sure. Not important. I'm coming in. I'm really bored.

[door opens] Hey! Glad to see that you are clothed. **[chuckle]** What? I'm joking! I swear. I don't think you would be getting yourself off while your sister is in the next room with her best friend. That would be fucking stupid on your part. How have you been? It's been forever since I last talked to you alone. I think it was at that party over the Summer. Your parents threw a party here and I came over and you got a little too tipsy since you had nowhere else to go. Your sister also drank a little too much. I ended up playing babysitter to you two all night. It was kind of cute how pathetic you are when you're drunk. You couldn't even walk straight. I ended up having to drag you to your room and stand guard until you fell asleep. Do you remember that?

No.

...Yeah, I should've known that. You were probably blacked out by the time I got you to sleep. You tried getting handsy with me. You were fumbling and at one point you even honked my tits. I think you thought it was sexy but it made me just laugh out loud. It showed me just how inexperienced you are. I mean, really? Honking? What are you? A horny teen? **[chuckle]** But since I'm so nice, I let it slide. I wrote it off as you being stupid and drunk. I also did you a solid and never mentioned it to your sister. I'm sure she would have had a field day knowing that you tried to make a move on me by honking my tits. I mean, you could have at least complimented me first. Told me I was hot and then did it. But you just went for it. When you're wasted you have confidence that is totally undeserved. **[chuckle]**

[footsteps walking around room] You know, the last time I was in here, I didn't get a good look at everything. I was a little busy taking care of your sorry drunken ass. You've got some cool stuff in here. What? Oh come on, don't get flustered because I'm talking about some embarrassing memory. Everyone does stupid things when they're drunk. It's fine. I'm not mad, really. If I was upset with you, would I have come into your room and be laughing as I told the story? No, I wouldn't be. Instead I think it's funny that when you are drunk you turn into a horny teen that thinks that honking a grown woman's breast is the way to get into her pants. It's as sad as it is cute. I wouldn't think someone with your looks would be inexperienced. I mean, come on, you can't be blind to how attractive you are, right?

I think I'm average.

..Are you kidding me? You are so fucking cute! I mean just look at your face. You've got some of the prettiest eyes I've ever seen! If I didn't know you sister, I would think it's genetic. Her eyes are nice, sure, but they don't even hold a candle to yours. They are the kind of eyes that someone could stare at and get lost in. And your nose? Oh my god, it's so perfect. I can't put into words how the shape and size of it are fucking perfect for your face. It's a nose I wouldn't mind grinding against. **[chuckle]** And your lips! They just look so kissable. I mean, I am a little jealous of them. Even with the black lipstick I use, they don't look as kissable as yours. I mean, I could easily just grab your chin and kiss you and actually satisfy my curiosity on how they feel but I wouldn't do that. Not without your permission, of course. I'm not a monster plus you are the younger sibling. That means you are kind of off limits, even to your sister's goth best friend. **[chuckle]**

[footsteps and bed creak] I wanted to get closer to tell you this. So you need to look me in the eyes when I say this. I don't give a shit if you get flustered. You are an attractive person. I don't know what kind of shit you have been through but you need to be more confident in yourself. I've always thought of you, as like, well, I never really thought of you before. But you are an attractive individual. Anyone would be lucky to date you, kiss you, fuck you. I swear, if you weren't my best friend's younger sibling, I would have easily snatched you up. With a face like yours and a body to match, I can't get over you are single and inexperienced. At least, you are totally my type. I know I was teasing you a little hard earlier, making you remember something totally embarrassing, but I'm not always mean. I just look it. I'm not cute like you. I tend to dress up in all black, wear chains, do my makeup big and dark, and have dyed black and red hair. I know you always thought I was mean. **[chuckle]**

[shuffle closer] Oh don't deny it. Even moving myself closer to your face, sharing the same air as you, you still think I'm a little mean, don't you? That I'm going to make fun of you, keep reminding you how inexperienced you are, how much you embarrassed yourself in front of a hot woman like me. That's all you're thinking about despite our lips being only a few inches apart. I quite literally just complimented you and told you how you were exactly my type and yet you still don't believe me. You still think I'm going to mean to you, don't you? **[chuckle]** That's kind of adorable. I'm not going to lie, knowing that you have a little bit of fear of how I'm going to treat you gets me wet. Since you think I'm mean, let me show you just how nice I can be.

[kiss] What did you think about that? Was that mean? Because I think that was very nice of me. I mean, no one says no to a kiss from a big titty goth girl, wouldn't you agree? **[chuckle]** I'm not sure if we should go any further, though. I mean, I did just kiss my best friend's younger sibling. You are supposed to be the one person that is completely off limits. What I just did was so fucking wrong. So dirty. So taboo. I mean, she's practically like a sister to me but you, you are just some attractive nobody that I happen to be sitting in the room with. And she isn't going to be back for a bit. Alright, I'm going to propose something to you and you can say no. I'm taking pity on you. Someone as cute and sweet as you shouldn't be as inexperienced as you are. Since we are alone together, and I'm soaking through my panties, I'm going to teach you how to eat my pussy out. If you make me cum, you'll be rewarded with an orgasm of your own. Think you have what it takes to make me cum before your sister gets home?

I think so.

[kiss] I'm sure you do. **[shuffling]** After all, you have the easy task of following instructions. You can be good for me and do what I say, can't you?...That's what I want to hear. Now start by kissing up my inner thighs. Mmmm, yeah, not so fast. Go nice and slow. I know I'm wet and want you but you I want you to make me really want it. Make me feel like the only thing that is going to bring me relief is that pretty mouth of yours. Leave a bite here and there. Don't be afraid, I can take it. You aren't going to hurt me, I know you aren't. That's good. That's very good. Keep working your way up, switching between the two thighs. Don't pay attention to one area too much. Mmmm very good. You're a quick learner, aren't you? Fuck. Now lick the outside of my panties. You can see the wet stain you caused. Now you have to take responsibility for it. You got me so fucking wet, it's only polite that you take care of it, right?

Ngh, good. Kiss and lick it through the fabric. Tease my clit. You don't want to give me what I want just yet. You want to draw it out. Make me beg for it. After all, you are the only one that can give me what I want, aren't you? You have all the power in the world to make me feel good or keep denying me. Doesn't that make you feel confident? Knowing that you are the one that is going to make me cum from using that tongue of yours. Now I'm going to pull my panties to the side and you are going to have access. You've teased me long enough. You might be the only that can make me cum but that is because I'm allowing you that honor. Don't forget who is really in control, darling. It's not you. The only reason you are getting to taste this pussy is because I think you are going to look just darling between my thighs working me to orgasm.

Start with some broad licks. Go from my hole to my clit. You don't want to start off intensely right away. For me, it's all about building up to the orgasm, making me want it, making me need it. And you are going to give it to me, aren't you? Mmmm, yeah, you are. Following my instructions so well. Love how you are using your tongue exactly how I told you to. Don't need to think, no. All you have to do is turn your brain off and please me. That's it. Keep licking Mommy's pussy. Doesn't that taste good? Doesn't it get you turned on knowing how wet you made me? Such a cute little thing, burrowing your mouth between mommy's thighs, taste my wet cunt. I want you to start playing with the clit now. Ah, ah, ah use your tongue, not your mouth.

Mmmmm better. What a quick learner. Don't just circle it though. Flick it, suck it, but don't use your teeth. I don't like the feeling of those. **[chuckle]** Good, good. Mommy is going to help you a little bit, okay darling? I'm going to take either side of your head in my hands and angle you so that it's better for me. Mmmm, better, much better. Now you need to stay there. I know you can do it. So good for me. Yeah, you love how I taste, don't you? Can't get enough of it. Such a cute little sub between my legs, eating me out. Feel how my hips are grinding? That's because of you, darling. Doesn't it feel good making mommy feel so good? The way you are making me grind against your face, such a quick learner. Keep that up and Mommy is going to be cumming in no time. I'm sure you want to feel that, don't you? My thick thighs tensing around your head while I cum from your mouth following my instructions. So obedient for me, darling.

Circle it a little more for me. That's better. Good. Now go back to what you were doing before. Yeah, that's good. That feels really nice. Love how your tongue feels against my pussy, darling. Love how cute you are nestled between my thighs. Oh so sweet for me. You're doing so good. Every flick of the tongue proves to me that you can follow instructions, that you can do as you're told. You are definitely going to make me orgasm if you keep this pace up. I had no idea that you could do what you are told so well. So good for me, darling. So good for Mommy, darling. Keep licking my soaking pussy. It's all wet for you. Thinking about your cute inexperienced little face between my legs, lapping at my clit, I wasn't able to resist myself. I've always had a thing for those that are less experienced than me. Allows me to guide them so they know exactly what I like. The inexperienced ones like yourself are always more eager to please and be good for their goth mommy, huh? You like being good for me, don't you? Love being praised and complimented while tasting my cunt. Flicking my sensitive clit with that talented tongue. Keep doing it, just like that.

Love how you just come out of your shell as soon as I guide you, help you, place you where you belong between Mommy's thighs. Keep working my clit, just like that. Love how your tongue feels. Love how warm your mouth is. I could just melt into a puddle of pleasure right here, right now. So fucking good for me, darling. Are you getting turned on? Huh? Is my darling getting all turned on from tasting Mommy's pussy and bringing her so much pleasure? I bet you are because you are so good for me and you know that bringing me to orgasm, getting my juices running down that cute face, it gets you horny as well. You love to serve, don't you? Give your partner pleasure upon pleasure until they are writhing and begging for you to stop touching them. I can tell. With how you've taken to following my instructions and eating me out.

Mmmm do that with your tongue again. Yes, feels so good. So fucking good for me. Getting Mommy closer and closer to her orgasm. I bet you don't even care if you get off anymore. You are so determined to get me to cum, so focused on proving yourself to me, that your own arousal is being set on the back burner, isn't it? Reaching between your legs to give yourself some relief would feel good but it doesn't feel as good as praise from Mommy while you taste her pussy. Yeah. So good for me, darling, so good for Mommy. Such a talented little mouth, wouldn't ever know you haven't done this for me before. Taking every single thing I've said into account to make me cum. I think this might be the fastest I've ever orgasmed.

So fucking close, darling. I'm right there. Keep that movement of your tongue up, don't fucking stop. Don't change anything. Just keep doing what you are doing. Yeah, that's it. Fucking feels so good darling. Ngh, that's it. Doing so good for Mommy. Mommy's quick little learner. I'm so proud of you, darling. Keep going. Love how you use that tongue, love how you feel against my clit. Just knew you would be good at this. Such a cute face, it belongs squished against some thick thighs and praised up against a wet pussy like this. Perfect position for eating pussy and for head pets. What more could you want, huh? Is it making Mommy cum? Is that what more you could want? Because if it is, you are so close. So fucking close. I'm almost there. You can do it, darling. Make mommy cum. Keep working your tongue like that an~ **[improv to orgasm]**

Well, fuck darling, that's the quickest someone has made me cum without the help of a vibrator in the longest time. Are you sure you don't eat a lot of pussy? **[chuckle]** I'm teasing, I'm teasing. What time is it?...Hmmm it seems like we are going to be alone for a little bit longer. Since you do so well for me, were so good for Mommy, do you want Mommy to give you a reward for making her cum?

[PATREON ONLY]

...Hmmm, how should Mommy help you, darling? Should Mommy use her mouth? I don't think I should. I think you need to work your way up and earn things like my mouth or tits or even my pussy. No. I think since you are so inexperienced that even something simple is enough to get you off. So Mommy is going to put her soft hands inside your pants and get you off like that.

[zipper and shuffling] Yeah, that's what I want to see. Look at you. All turned on. Did making me cum get you that horny? Did tasting my wet pussy get you that fucking horny? That's adorable, darling. You really can't control yourself when you are around a goth girl like me, can you? I think it's only fair that since you got me off, I help you out, wouldn't you agree?

[wet noises] After all, someone who did as well as you did deserves to get off. Deserves to be rewarded. Doesn't that feel good? It feels so much better to have Mommy's hand get you off instead of your own. It's different but in a good way, right? Has anyone else touched you here or am I the lucky one?...That's okay, darling. I don't mind. After all, you are still just as cute, even like this. Pants off, my hand between your legs, touching you, stroking you, helping you get some relief. After all, you got so horny eating me out and then you made me cum. That was so good and deserves a reward. You made me so proud, darling. For being so good for Mommy, you get rewards like this. You get more than just tasting me, you get the privilege of cumming. After all, if you hadn't made me cum, I wouldn't have cared if you came. You only get to cum if I cum first, understand?

...I knew you would. You're going to follow the rules too, I just know it. I can tell just how smart and obedient you are. You want to be good for Mommy, don't you? Want to be showered in all the praise and compliments and pleasure that you can handle despite how flustered it makes you. You like feeling like this, don't you? It makes you feel all squirmy, huh? Because your body can't seem to decide between wanting more of Mommy's touch or trying to get away from it. I haven't even been touching you for long. So sensitive, darling. I had no idea how responsive you were going to be. I should've expected that from someone so inexperienced. That's okay. Mommy doesn't mind. In fact, I think it's kind of cute. Endearing almost. That despite how much you want me to keep touching you like this, keep making you feel so fucking good, your body keeps deciding it's too much. It's like your brain and hips aren't on the same wavelength. It's a good thing I'm here to help you cum then, isn't it?

...Love hearing your voice. Love hearing you respond. It's like music to my ears. In fact, I think it might be my new favorite sound. Such a sweet, sensitive and responsive thing for me. So cute and pliable. Doesn't it make you happy how much joy you are bringing me? And you are doing it just by being yourself. You've enchanted me, darling. Mmmmm, yeah, that's it. Let Mommy make you feel so good. My hand feels better than anything you've ever done to yourself, doesn't it? That's because you don't know what is going to happen next. I could speed it up, slow it down, stop completely, and you aren't in control. When you are touching yourself you decide what you get. You decide how fast you want it, when you cum, how you cum, but when it is with me you don't have any of that. And you don't get a choice in the matter. You take what Mommy gives you and say thank you because you are good, right? You don't want to demand anything from me because what if that makes me stop. You wouldn't want Mommy to stop playing with you simply because you got greedy, would you?

...I knew you wouldn't. So good for me. So well behaved for Mommy. Yeah, that's it. Keep melting into my touch. Let me do my thing. All you have to do is focus on the pleasure that you are getting. You deserve it. You've earned this. Just like you've earned an orgasm once Mommy decides that she has had her fill of playing with you. After all, I'm having just as much fun as you are having rich now. I've already orgasmed so I get to focus all my attention on you, darling. You get my undivided attention. Right now, with my hand working you closer to cumming, you are the center of my universe. I'm not focusing on anything else. I'm not even thinking about anything else but you, darling. Making you feel good, rewarding you, praising you, making you feel so special and good because that's how you made Mommy feel, darling. That means you deserve only the best, right?

...That's right, you do deserve only the best. You don't get to tell me no to something like that. Mommy knows what is best for you, how to treat you right. Someone as good and cute and sweet as you deserves praise and pleasure. Nothing and no one is too good for my darling. I can't deny that the way you fit into my hand feels perfect. Kind of like we were made for each other. It feels so natural to stroke you like this, doesn't it? Maybe after this, I'll start seeing you as something more. I bet you would like that. For me to start visiting you more so we can have more of these secret hookups when it's just the two of us. Mommy and her darling. That thought alone is enough to get me wet again. The idea of having you as my secret little fling that I can play with whenever I want. Someone to call whenever Mommy wants to get off and doesn't want to do it alone. Would you want to be that for me?

..You know what? Don't answer that right now, darling. Right now, you'll say anything to keep me playing with you and to get closer to that orgasm. I know, darling, I know. Mommy knows exactly what you need and that's why I'm giving it to you. Taking what Mommy is giving you so well. So good for me darling. Such a natural at this. A natural sub for me. You didn't even question it when I started to assert my authority over you. You just fell into line. It's so cute. I love how naturally submissive you are. How you instinctually diverted your own interests into whatever I said. You knew that you were supposed to obey me, obey Mommy, before I even called myself that, didn't you? You just knew that your place was being good for me and you'll be praised and rewarded for it. My cute little darling.

[shuffling] I'm going to keep touching you but I'm going to lower my shirt with my other hand. Give you a display of my tits. I know you keep watching them shake as I use my soft, warm hands to play with you and inch you closer to orgasm. Might as well show you what you are missing. I bet you've been dying to touch them, haven't you? The way they were popping out of my black v-neck. Wouldn't have been able to keep your eyes off them even if we didn't end up hooking up. I know. You just love Mommy's tits. It's why when you were drunk, you honked them. It's why you kept staring at them while I was playing with you. You just want to reach out and grab my full breasts, don't you?

...Hmmm, you don't sound like you want it that badly. After all, if you really wanted to feel Mommy's tits, you would beg for it, wouldn't you? And I'm not sure you are even capable of begging in your current state. I mean, look at yourself. You're ripping apart at the seams and all because of me. You can't help it, can you darling? So sensitive to Mommy's gentle touch. If you even touched one of my boobs you would cum instantly, wouldn't you? Not that I blame you. I mean, they are pretty great if I do say so myself. It's why I always show them. Especially around you. You're just so fun to tease and distract darling, Mommy can't help it. **[chuckle]** I don't think you mind though. You like being teased, don't you? Makes you want it more, makes you want me more, right? You love that Mommy is such a flirt and tease even before you knew you had a chance. Mmmm you feel so fucking good. You fucking horny and all for Mommy, right? This isn't for anyone else? This is all for me, this is all my doing. I have this much of an effect on you darling. You are so weak for me, weak for Mommy, I love it. That weakness is going to be your downfall. I'm going to get make you addicted to me, addicted to my touch. Nothing is ever going to compare to the feeling of your big titty goth mommy, will it?

..Yeah, that's what I want to hear. That's my darling. So good for me. So well behaved and sensitive for Mommy. I think because you said that, you deserve to cum, don't you? I've drawn this out long enough. My tits jiggling with every stroke, saying such lewd things in your ears, touching your sensitive body, combine all that and I know you are close. Mommy can always tell when her darling is close to cumming. So I want you to cum for me, darling. Orgasm from Mommy's touch. I know you can do it. You've earned this, darling. This is your reward for being so good. You made me so proud, being able to make me cum using just your mouth. That means you've earned this orgasm. So cum for Mommy. Receive your reward darling. Awwww, so good. So fucking cute when you cum. Just as adorable as I thought it was going to be. Yeah. It feels good, doesn't it? Cumming from Mommy's touch? Better than anything you've ever felt before. You love not being in control of your own pleasure, your own orgasms, don't you? I can see it written all over your face, darling.

[kiss] Really? We just made each other cum and a cheek kiss is enough to fluster you all over again. **[chuckle]** I told you, I wasn't as mean as you thought I was going to be. In fact, I would argue that I'm very nice. Wouldn't you agree, darling?
