

Good Morning Families,

A special thank you to the students on Friday who were very helpful, caring and understanding when I threw my back out and could barely walk. In hindsight, I should have stayed home but they did a great job and we made it through the day.

**Homework Incompletes**: I discussed the homework packets with your child on Friday. Please make sure to have your child answer the comprehension questions with complete sentences with punctuation and capitalization. Also please answer the questions on the vocabulary page to help with understanding the new vocabulary words.
