

About Us: Missouri Creative is a design studio based in Hoxton, East London. If you like good coffee shops, food from around the globe and late night venues, you may enjoy the location as much as we do.

As for the agency, we're a forward-thinking design studio who prides itself in nurturing young talent. We are committed to keeping up with the latest design trends, pushing the boundaries of creativity and delivering impactful visual solutions. Our portfolio spans various industries, and we take pride in our ability to translate ideas into visually compelling solutions.

Position Overview: We are in search of a talented and passionate design intern to join our team starting April. As an intern at Missouri, you will have a supporting role within the 2D team helping to create stunning graphics and iconic assets that breathe life into our clients' visions. Your creative ideas and eye for detail will be essential in delivering exceptional design solutions.

Key Responsibilities:

- **Graphic Design:** Create visually appealing 2D graphics and illustrations for a wide range of projects, from branding and marketing collateral to digital interface concepts and print materials.
- **Concept Development:** Collaborate with the 2D design team to develop concepts that align with project objectives and brand identities.
- **Feedback Integration:** Embrace constructive feedback to refine and improve design work.
- **Adaptability:** Be flexible and adaptive in responding to changing project requirements and design trends.

Qualifications:

- Formal design training or relevant experience

- Proficiency in industry-standard design software (e.g., Adobe Creative Suite: Photoshop, Illustrator, InDesign).
- Design portfolio demonstrating a range of strong design thinking & considered executions.
- Excellent developing communication and collaboration skills.
- Enthusiasm & passion across the board

What We Offer:

- A month with the Missouri design team
- London living wage
- A collaborative and creative work environment (with free breakfast!)
- Work from home Wednesdays
- Exposure to diverse design projects and industries
- Access to industry-leading design tools and technology

How to Apply: If you are a talented 2D Designer with a passion for creating visually compelling designs and a desire to be part of a creative and dynamic team, we invite you to apply for the internship at Missouri Creative. Please submit your CV and an online portfolio showcasing your design work to: talent@missouri-creative.com
