

When are the events?

There is a wide variety of events, programs, and educational sessions you can choose from. They are divided into 2 categories:

Teal events: created specifically for fraternity and sorority members by OFSL

Blue events: events held by other offices on campus that meet the visions and purpose of TELOS

Students who are interested in TELOS must attend at least **SIX (four teal and two blue)** events during the 2024-25 school year before graduation

If you are a senior graduating in December 2024, you are only required to attend **THREE** events (two teal and one blue) during the fall 2024 semester

ALL PARTICIPANTS MUST complete the [pre-assessment](#) before attendance will count. Taking the pre-assessment will register you for TELOS. At the end of the year, you will also receive a [post-assessment](#)
