yes

how many times can i listen?

as many times as you want

what is this song?

songs are always put in the description

calm version?

calm versions are always pinned in each video

"but what if i don't want..."?

block the aff out (you won't receive any undesired results)

how can i loop this sub?

download the app musi or click the three dots on the youtube video

does this include....?

everything included is stated in the description

what do i have to do to get results?

literally just listen and believe!

does this give me...?

if it's not said in the benefits then no

does this change...?

only if you want it to and if it's in the benefits

Extra information:

- if you do not believe in subs there is no reason for you to spread negativity on my page
