Vocabulary

Blue: Villager

Blue is another phrase that people use to refer to anyone who's role is Villager.

Bw: Bandwagon

When one person votes a player, and the whole town follows, without having substantial evidence.

Cc: Counter-claim

A claim that contradicts another role claim that was made.

Fmpov: From My Point of View

Let's people know that you are speaking from your perspective / view point.

Fos: Fingers of Suspicion

This is when a Villager notices another player acting suspiciously. Generally, this is used in place of voting the person to let everyone be aware of your suspicion.

Gy: Graveyard

After someone is lynched or killed, they end up in the Graveyard which is a place for dead people to spectate and converse.

Hypo: Hypo Claim

This is a strategy that is used when there is an investigate role with no protection. This is done by all of the town claiming cop and posting a report. This way, if the cop is killed at night, you can look back and see his report.

Inno: Innocent

Refers to a Cop or Tracker report that would indicate that someone is aligned with the village.

Lylo: Lynch or Lose

A situation that forces the Town to lynch the mafia or else they lose the game.

MI: Mislynch

This occurs when Town lynches a Town-sided role.

Mylo: Mislynch and Lose

A situation in which, if the Town lynches wrong, then the mafia will win.

NI: No lynch

This is when the town decides to lynch no body during the Day.

RI: Random Lynch

This is an act where the Town decides to randomly lynch some one during the Day.

Sk: Serial Killer

The Killer, which is neither aligned with the Town or the mafia, they win by themselves.

Softed: Soft Claimed

When you say some thing that makes you seem like a certain role or a power role, without actually hard claiming.

Wifom: Wine In Front Of Me

When a player uses reverse psychology or such to fool players into thinking a certain way, for their own advantage.
