## From Principal, Mr. Logan...

Dear CMS families,

**3rd Trimester Report Cards:** Third trimester report cards will be mailed home during the week of June 8th along with NWEA family reports, special education progress reports, and PEAK advanced learning plans.

**CMAS Results:** Your student's CMAS results are available to you earlier than expected. [See this document](#) to access your child's scores.

**Chromebooks, Cords, and Library Book Return:** Chromebooks, chromebook charging cords, and library books, should have already been returned to school. If you have any of these items at home, please return them on Monday, June 1st!

**Gratitude and Farewell:** As I wrap up my final weeks of being the principal at CMS, I want to send out a sincere thank you to all the parents and students I've interacted with in the past three years. Education is complex, sometimes messy, and definitely a very human endeavor. I appreciate every conversation I've had with you all over the years, and I know that we couldn't achieve our mission here without active involvement from parents and guardians. I have loved serving this community, and I look forward to being in the building for at least one more as a math teacher. Thank you for an unforgettable three years, and I look forward to continuing our journey together from a brand-new vantage point.

## 8th Grade Continuation Information

**What?** Continuation is the end of middle school celebration for 8th-grade students that helps them celebrate their successes and friendships in middle school as they look forward to their upcoming high school adventures. It will include a ceremony, a student potluck dinner, and student dance/celebration.

**When?** **Monday, June 1, 2026, 5:00-8:30 PM**

- Students are required to attend the full, normal school day in order to participate.
- **Ceremony starts at 5:00 PM** in the CMS auditorium. \*\*Students report to school by 4:45 PM.
- Potluck dinner and dance/party following the ceremony in the cafeteria is for students.
- Dance for students will begin around 6:30 PM and end at 8:30 PM.
- Parents please pick up your student at 8:30 PM. Parent clean-up crew will also arrive at 8:30 PM.

**Where?** Carbondale Middle School Auditorium and Cafeteria

**What should students wear?** Dress up more than you would for a regular school day! There is no formal dress code—we want students to show their personality. Students might wear a dress, skirt with a top, dressy pants/top, collared dress shirt (with vest or tie if you'd like), fancy shoes, or a special hat.
